Summarize why you wish to serve the City of Newport Beach on a board, commission or committee. Include any special qualifications you have which are particularly appropriate to the position for which you are applying.

I have been very fortunate to live in Newport Beach for the last 32 years and have raised my family here. I feel truly blessed to call such a wonderful place home. I feel that since I have benefited from this outstanding city, that it is only fair that I contribute back to it. I enjoy the parks and beaches on a daily basis, and find from my research this committee to be one that I could contribute to and appreciate the work it performs. I have volunteered through out my life, and find that a good quality I have is working with and respecting people, and in turn earning respect from others. I have served on numerous committees during my medical career, and have worked hard to earn the respect of my peers. I would be happy to answer any further questions you have, and appreciate your time and consideration for this request.

Respectfully,

I certify that all statements made on this application are true and correct to the best of my knowledge. I have read and understand the duties and responsibilities of the particular position(s) that I am applying for and authorize the release of this information on the internet.
