Hi Mike

I hope you're enjoying the July 4th long weekend. I know the Balboa Peninsula Trolley is of interest to you. Here is what I received today from City Staff:

Last weekend trolley numbers are in. Despite Saturday's heavy marine layer, the day's ridership was **872**. On Sunday, **1,357** people took a ride on the trolley! For a weekend total of **2,229** riders- that is **50% more** than the previous weekend.

The trolley numbers are definitely exceeding our expectations.

Have a great July 4th!

Best regards,

Diane B. Dixon
