Hello Mr. Glenn,

This is not the first time the Notices of Determination (a.k.a. invoices) have been sent to you. Each notice is individually dated on the day it was sent to you. As you will see in the attached documents, you have received 17 individual Notice of Determination or "invoices" since 2015, which show \$619.93 due to the City for records requested by you. To date, you have not picked up the documents you requested, nor have you paid the outstanding balance of \$619.93 owed to the City. We have provided you with the information in our records showing the amounts you owe to the City. We are not interested in continuing to debate this with you, as it is a waste of staff time and City resources. Please send in a check made out to the City of Newport Beach for the amount owed, and we will give you the documents you requested.

Thank you for contacting the City of Newport Beach.

Best,

Jennifer
